WHY NICHOLAS J. WEBB?

NICHOLAS WEBB BRINGS A RARE COMBINATION OF HIGH ENERGY STAGE PERFORMANCE AND TIME TESTED REAL-WORLD EXPERTISE.

He has led companies, advised major global brands, worked with executive teams and boards, invented and commercialized technologies, and helped organizations turn complex change into measurable results.

As CEO of LeaderLogic®, an award-winning inventor with more than 40 U.S. patents, and a multiple number-one bestselling author, Nicholas gives audiences practical insights grounded in decades of leadership, innovation, healthcare, technology, customer experience, and workforce transformation.

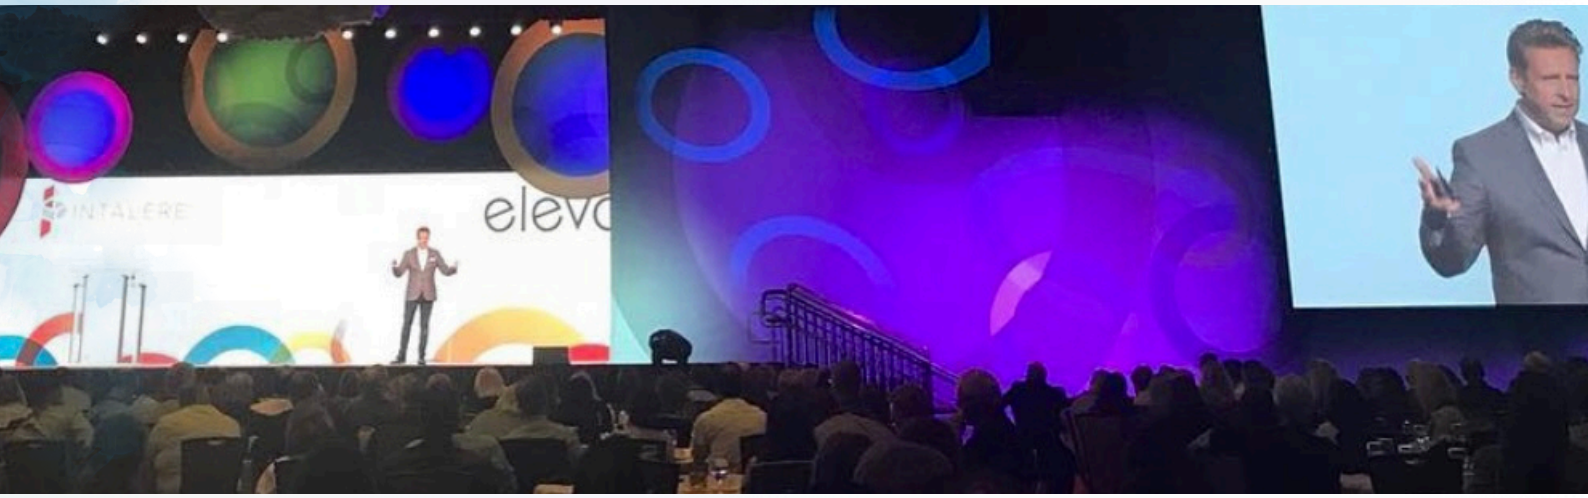

Every presentation is researched and customized for the audience, industry, marketplace, and strategic priorities. Meeting planners select Nicholas when the event demands more than inspiration.

THEY NEED CREDIBILITY, RELEVANCE, ENERGY, AND IDEAS PEOPLE CAN USE IMMEDIATELY.

TRUSTED BY LEADING ORGANIZATIONS WORLDWIDE

From Fortune 500 companies to healthcare systems, associations, and executive leadership teams, Nicholas Webb customizes every keynote to the audience he serves.

NICK HAS HAD THE HONOR AND PRIVILEGE

OF PRESENTING TO SOME OF THE **TOP ASSOCIATIONS AROUND THE WORLD**

TODAY'S MOST REQUESTED TOPICS

INNOVATION

TURNING IDEAS INTO MEASURABLE ENTERPRISE VALUE

Nicholas has earned more than 40 U.S. patents across medical, consumer, and industrial technologies. He is the author of multiple bestselling innovation books and has served as a Chief Innovation Officer and adjunct professor at a leading medical university. His insights come from building, commercializing, and leading innovation in the real world.

HEALTHCARE

THE FUTURE OF HEALTHCARE

Nicholas has served as CEO of three medical device companies and advises health systems, pharmaceutical companies, medical technology organizations, insurers, and healthcare associations. He is also an award-winning healthcare documentary filmmaker whose film "The Healthcare Cure" was recognized as one of the most impactful films at the Sedona International Film Festival.

ARTIFICIAL INTELLIGENCE & EMERGING TECHNOLOGIES

TURNING TECHNOLOGY INTO PRACTICAL ADVANTAGE

As an award-winning inventor, technologist, and strategic advisor, Nicholas translates artificial intelligence and emerging technologies into clear business applications. He helps leaders understand what matters, what comes next, and how to act without hype.

LEADERSHIP

LEADING WITH CLARITY IN A TIME OF CHAOTIC CHANGE

Nicholas is CEO of LeaderLogic®, author of the bestselling book *Lucid Leadership®*, and a longtime advisor to senior leaders and boards of directors. He gives leaders practical tools to create clarity, alignment, accountability, resilience, and measurable performance.

FUTURE TRENDS

PREPARING LEADERS FOR WHAT COMES NEXT

Nicholas combines continuous research with decades of executive, technology, innovation, and advisory experience. He identifies the market shifts, technologies, workforce changes, consumer expectations, and business model disruptions leaders need to understand now.

CUSTOMER EXPERIENCE

WINNING THROUGH HUMAN EXPERIENCE

Nicholas has been recognized for nine consecutive years as one of the world's top customer experience experts by Global Gurus. He is the number-one bestselling author of *What Customers Crave* and *What Customers Hate*. He helps organizations create experiences that improve loyalty, growth, and long-term value.

CULTURE & WORKFORCE TRANSFORMATION

BUILDING A CULTURE PEOPLE WANT TO JOIN AND STAY

Nicholas is the author of *Human Experience®* and *Happy Work*. He works with leading organizations to strengthen culture, improve workforce experience, increase engagement, and create the conditions for sustainable transformation and performance.

BOARD RETREATS & LEADERSHIP EVENTS

HIGH-STAKES FACILITATION FOR IMPORTANT DECISIONS

Nicholas facilitates board retreats, executive leadership meetings, strategic planning sessions, and industry forums for major organizations. Each engagement combines customized research, provocative insights, practical frameworks, and disciplined facilitation to create alignment and accelerate action.
